### Verse 1

You've got heartache written all over you  
But tell me the truth  
What is a girl to do?  
You're trouble with a capital "T"  
You're nothing but a heartache for me

### Verse 2

Ooh, that's hitting below the belt  
I'm feeling some felings like I've never felt  
I better move it  
Or I'm gonna be  
Another heartache casualty

### Chorus

Heartache, heartache  
Guaranteed to make my heart break  
Oh, I know that love's the last thing that you're thinking  
about  
Before I let you in  
I'm gonna throw you out

### Verse 3

I can't afford what you're gonna cost me  
The look in your eyes  
Is enough to defrost me  
I've got an urge & you're ready to take  
And I'm on the verge of a big mistake

### Verse 4

You've got the moves babe  
But I've got more  
Let me tell you baby

I've seen your type before  
You come & you go  
Leaving hearts in your wake  
But that's one hit list I won't make

### Chorus

Heartache, heartache  
Guaranteed to make my heart break

Oh, I know that love's the last thing that you're thinking  
about  
Before I let you in  
I'm gonna throw you out

Chorus 2  
Heartache, heartache  
Guaranteed to make my heart break  
Oh, I know that love's the last thing that you're thinking  
about  
I don't need no heartbreak  
I'm doin just fine

Bridge  
You're coming at me  
With an "H" on your chest  
But you only want me  
Because you had all the rest  
I don't mean to be cruel  
But I'm nobody's fool

Chorus til' fade
