Verse 1

What's happening
Inside of me
I've never felt this way baby
What's wrong with my heart
Tell me where do I start
I can't find the words to say
Here in your arms I feel complete
You're all that I'll never need

Chorus

I don't wanna say goodbye
I don't wanna let you go
Cause I love the way I feel baby
When you hold me close
When I look into your eyes
I can see inside your heart
I wanna stay in your arms tonight
I don't wanna say goodbye

Verse 2

We could pretend
That we're only friends

We could just walk away baby
Forget this kiss
And leave it like this
But I know my heart would break
Where would I turn
What would I do
I would be lost without you

Chorus

I don't wanna say goodbye
I don't wanna let you go
Cause I love the way I feel baby
When you hold me close
When I look into your eyes
I can see inside your heart
I wanna stay in your arms tonight
I don't wanna say goodbye
(Repeat 2x)
