### Verse 1

Is this the night  
Is this the end  
You've come to tell me goodbye  
You look at me  
But I can still see  
There's so much love in your eyes

### Hook 1

So what are we doing  
When I feel the same  
We can get through this  
Don't throw it away

### Chorus

Isn't love reason enough  
To lay or hearts on the line  
And isn't love reason enough  
To try just one more time  
Please don't give up  
For isn't love reason enough

### Verse 2

Me standing here  
You standing there  
Silenced by heartache and pride  
This isn't right  
Just isn't fair  
Why can't we just say what we're feeling inside

### Hook 2

Reach through the distance  
Just pull me in  
There's enough love left  
To start again

### Chorus

Isn't love reason enough  
To lay or hearts on the line  
And isn't love reason enough  
To try just one more time

Please don't give up  
For isn't love reason enough

Bridge  
It will be worth all that it's gonna take  
To stay and fight for it  
Not lose sight of it  
Baby just have some faith

Chorus  
Isn't love reason enough  
To lay or hearts on the line  
And isn't love reason enough  
To try just one more time  
Please don't give up  
For isn't love reason enough
