Verse 1

Can this be real?
Can this be true?
That I'm over you
Guess I'm finally over you
Cause It's been awhile
Since I've missed your smile
And being held so close...
I don't need that every night

My arms don't feel so empty anymore
Like I'm not empty inside

Chorus

Well the hardest part of giving up
Is knowing love used to be true
And the hardest part is giving up
When I'm still in love with you

Verse 2

You found someone new
And I've found someone too
And he don't look like you
He don't remind me of you at all
That's why I don't care
That you're always there

When I close my eyes...
Everytime I close my eyes

The bed don't feel so empty anymore
Like I'm not empty inside

Chorus

Well the hardest part of giving up
Is knowing love used to be true
And the hardest part is giving up
When I'm still in love with you

My heart don't feel so empty anymore
Like I'm not empty inside

Chorus

Well the hardest part of giving up
Is knowing love used to be true
And the hardest part is giving up
When I'm still in love with you

Cause I'm still in love with you...
