Hold on tight
We'll catch the breeze
Sail on the clouds
Travel with ease
Just take my hand
Don't be afraid
The wind will carry
Our fears away
Chorus:
Hold my balloon
Fly around the world
And leave behind
The Hundred Acre Wood
With my balloon
We float so high
Hold my balloon
And touch the sky

We love to glide
On streams of air
And wave to bluebirds
Who fly in pairs
We're lookin' down
On tops of trees
Dreaming of honey
From honey bees

Repeat Chorus once

It's fun to go
Up to the rainbow
It lights the sky
For our magic ride

Repeat Chorus once

Hold my balloon
And touch the sky
Hold my balloon
And touch the sky
