I've got ways to make you sorry

Start my life with someone else

I've got ways to make you full

Tell you all the things oh lord above
I've got ways to make you mad

Just laughing at the girl sittin on your lap

I've got ways to make you sing my songs

And ones I ain't written yet
Chorus

I've got plots you've never seen

I've got moves I've never used

I've got ways to make you come

Back to me
I've got ways to make you strange
Drug you up and drag you home

I've got ways to track you down

In all of the places you like to go
I've got ways to make you crazy
Wear all the things you always wanted me to

I've got ways to make you run
And my daddy is coming for you
Chorus
I've got plots you've never seen

I've got moves I've never used
I've got ways to make you come

Back to me
I've got ways to make you hear me

Just by whispering your name
I've got ways to make you think

You'll never be happy again
I've got ways to make you see
I'm so much better than before

I've got ways to make you swear

You won't want to anymore
Chorus

I've got plots you've never seen

I've got moves I've never used

I've got ways to make you come
