The taste of it, you were a field of it  
Oh I couldn't say no, to the taste of it  
God knows I want to, haaa  
God knows it need to, haaa  
God doesn't know you like I do

You're the taste of it, under a midnight flirt  
And why I couldn't just go, and try to sleep on it  
God knows I want to, haaa  
God knows it need to, haaa  
God doesn't know you like I do

And I do-hu, sha la la la la la la la  
I do-hu, sha la la la la la la la la

And it's like you haven't said  
Nothing could...  
Who knows... to be true

God knows I want to, haaa  
God doesn't know you like I do

And I do-hu, sha la la la la la la la  
I do-hu, sha la la la la la la la X 2
