[Verse 1]

I know how to play this game
One, two, three and I'm safe
Count real slow to five
You couldn't keep me around if you tried

I know how to beat the rage
Of my tender age
Touch me once in the hall
But don't look back and don't call

[Chorus]

There are some things I can hardly say
You've got me feeling a brand new way
Please don't let this be summerlong

[Verse 2]

I used to play this game
In the middle lane
Pass them all on the inside
And don't get caught in a lie

[Chorus]

There are some things I can hardly say
You've got me feeling a brand new way
Please don't let this be summerlong

'Cause I want to stay
'Cause I want to stay
'Cause I want to stay
'Cause I want to stay

[Bridge]

All the nights and wasted time
Trying to get my head to change it's mind
All the talk of what it could be
When it never was

[Chorus]

There are some things I can hardly say
You've got me feeling a brand new way
Please don't let this be just summerlong

Please don't let this be summerlong
'Cause I want to stay
'Cause I want to stay
'Cause I want to stay
'Cause I want to stay
Please don't let this be summerlong
Please don't let this be summerlong
