No more sin and no more shame
We are going where the streets are made of gold
No more tears for they'll be wiped away
We are going where the streets are made of gold

And if we just could see
One glimpse of what will be
We'd run to win this race
Living our lives by faith

Because heaven is our home where we'll reign forever

Shining like the sun with our king forever
Every sorrow gone we'll rejoice forever
Heaven is our home heaven is our home

No more death for it's been overcome
We are going where the streets are made of gold
Where o grave is your victory song
We are going where the streets are made of gold
