Was my first love worth it?
The pain, the tears?
The entire year?
Still, in the end, I get nothin
Was he worth the rejection?
Did I step in the wrong direction?

The hole in my heart's so deep (so deep)
It's a bit beyond belief (beyond belief)
I'm still wonderin
Was he worth it?
(Was he, was he, was he worth it?)

My heart's broken (broken)
Can he fix it?
Can he he pick up (pick up)
All the pieces?
Can Romeo (where are you, Romeo?)
Save Juliet? (rescue me)
I need to know (gotta know)
Is he worth it?
(Is he, is he, is he worth it?)

The hole in my heart's so deep (so deep)
It's a bit beyond belief (beyond belief)
I'm still wonderin
Was he worth it?
(Was he, was he, was he worth it?)

When I had a frown
He always turned it
Upside down (upside down)
When I was cryin
He asked what's wrong (what's wrong?)
Next thing I knew
I was smiling (smiling)

He always made the pain subside (pain subside)
But one thing's still on my mind (on my mind)
I've decided (decided)
He's so worth it (worth it)

The hole in my heart
Wasn't so deep (not so deep)
Why didn't I just believe (just believe)
Now I'm left wonderin (wonderin)
Why I ever doubt him? (doubt him)

(He's so, so, oh so, so worth it)
