All Apologies

What else should I be
All apologies
What else should I say
Everyone is gay
What else could I write
I don't have the right
What else should I be
All apologies

In the sun
In the sun I feed as one
In the sun
In the sun
I'm married
Buried
I wish I was like you
Easily amused
Find my nest of salt
Everything is my fault
I'll take all the blame
Aqua foam shame
Sunburn with freezeburn
Choking on the ashes of her enemy
All in all we all are
