Spotlight and these tears
Of mine are flowing
I'm afraid my blues are showing
Growing all the time

Tonight, yeah
The singer's only faking
With her shimmy and her shaking
Since you broke this heart of mine

(CHORUS)
Boogie bands and one night stands
Can fly me through the night
But boogie bands and one night stands
Can never make the day, never make the
Never make the day right

Midnight and the
Stage lights now are dimming
But it's only the beginning
Of a life I never planned
Boogie bands and one night stands

(CHORUS)

Midnight and the
Stage lights now are dimming
But it's only the beginning
Of a life I never planned

Boogie bands and one night stands
Boogie bands and one night stands
Boogie bands and one night stands
