For when I walk  
I always walk with Billy  
Cause Billy knows just where to walk

And when I talk  
I always talk with Billy  
Cause Billy knows just how to talk

And when I dine  
I always dine with Billy  
He takes me where I get my fill

Want you to know, I love him so  
I just wanna be with Bill

Mostly instrumental with two doot-doodle-oot-doodle-  
oot s thrown in

And when I dine  
I always dine with Billy  
He takes me where I get my fill

And when I sleep, and when I sleep  
I always dream of Bill
