He's not so good in a crowd
But when you get him alone
You'd be surprised

He isn't much at a dance
But then when he takes you home
You'd be surprised

[VERSE 3]
He doesn't look like much of a lover
But don't judge a book by it's cover
He's got the face of an angel
But there's a devil in his eye

[VERSE 4]
He's such a delicate thing
But when he starts in to squeeze
You'd be surprised

[VERSE 5]
He doesn't look very strong
But when you sit on his knee
You'd be surprised

[VERSE 6]
At a party or at a ball
I got to admit, he's nothing at all
But in an easy chair
You'd be surprised

You'd be surprised
You'd be surprised
