Cthing D7sus4 Dm

Chorus:Edward, I am dancing in your snow

G Am

Even though you cannot see me tonight

Dm Bb

As the light and fragile crystals

D7sus4 G

Touch the lines upon my face

D7sus4 G

And melt among the tears

D7sus4 G

I'm dancing here for you

D7sus4 G

In spite of all my fears

Dm G Gstuff G

The love has seen me through

Cthing other-chord

I am dancing here for you

Am

You were a hollow look

Dm

With horror in your hands

Bb

You were a magic mind

Dm

With art at your command

Am

You were an innocent

Dm

With all the lessons still to learn

Bb

You went away from me

D7sus4 G Gthing

I know you never can return

You wore your cookie heart

Upon your sleeve for me

I started trembling when

You finally let me see

You were a shining knight

With gentle soul and flashing steel
Until that winter night
When only rage was left to feel

And in my mind tonight
I see you climb the stair
I see your scissor-hands
Caress the ice with care
And as the crystal fragments
Melt upon the midnight skies
I'm dancing once again
With teardrops in my eyes
