I'm not afraid to share you with the world  
I know I am a rhythm to your rhyme  
I'm not jealous of the love you have for anybody else  
I'm only jealous of your time

I'm not so insecure I cannot share  
That special you I know is so sublime  
I'm not jealous that you give yourself to those you grow  
to love  
I'm only jealous of your time

Bridge: We'll have to live forever and that might not be  
enough  
To give us time to just explore the world of our new  
love  
But when the world can claim you for so much time  
every day  
I'm jealous of your sleep and all you love so deep  
Your work and all that keeps you away

I don't think you should turn from those you love  
As surely as I shouldn't turn from mine  
And we never will be jealous of the lives we choose to  
live  
We may be jealous of our time

Coda: But that is no surprise I always miss your eyes  
I know you miss me too but we can see this through  
I'm only jealous of...I cannot get enough...  
I'm only jealous of your time
