(Susanna Clark/Richard Leigh)

My daddy told me when I was a young girl
A lesson he learned, it was a long time ago
If you want to have someone to hold onto
You're gonna have to learn to let go
You got to sing like you don't need the money
Love like you'll never get hurt
You got to dance like nobody's watchin'
It's gotta come from the heart
If you want it to work
Now here is the one thing I keep forgettin'
When everything is falling apart
In life as in love, you know I need to remember

There's such a thing as trying too hard
You got to sing like you don't need the money
Love like you'll never get hurt
You got to dance like nobody's watchin'
It's gotta come from the heart
If you want it to work
You got to sing sometimes like you don't need the
money
Love sometimes like you'll never get hurt
You got to dance, dance, dance like nobody's watchin'
It's gotta come from the heart if you want it to work
