All those untold stories
All those silent lies
We'll never know each other
Keepin' them deep inside (let's)
Wash away the troubles
Keepin' us apart
Tell those untold stories
Let the healin' start
It's been so long ago
We went our separate ways
Now maybe time has changed us
And worn the hurt away
You look the same as ever
I'm glad you're here with me
Take a look into my eyes
And tell me what you see
All those untold stories
All those silent lies
We'll never know each other
Keepin' them deep inside (let's)

Wash away the troubles
Keepin' us apart
Tell those untold stories
Let the healin' start
Now, I don't want forgiveness
Honey, I don't need you now
We've built a wall between us
It's time to tear it down
Let's plant a tree together
Maybe we can make it grow
If not now then maybe never
We might not ever know (about)
All those untold stories
All those silent lies
We'll never know each other
Keepin' them deep inside (let's)
Wash away the troubles
Keepin' us apart
Tell those untold stories
Let the healin' start
