"Reaching Happiness touching Pain"

Visit "[Reaching Happiness touching Pain](#)" on MotoLyrics.com

Dark oceans we cry
Writhing in the misery
Cast spit on the love
That lay at our feet
The intrigue of pain
We crave it's mystery
Neglect to explore
The depths to sanctity
We reach happiness
Divine in providence
Our lamented desires
Lose scent of the essence
Shunned is the prosperity
We feel the anxiety
Self inserting
The knives in our heart
Luring to degrade
With bribes of affection
Can't abide divinity
Over our imperfection
All love is broken

Sombre in devotion

The hearse of selfishness has drove it all away

Shunned is the prosperity

We feel the anxiety

Self inserting

The knives in our heart
