Our 13th Century ceremony - a vile & wicked rite  
A virgin child we took that night, her blood for eternal  
life  
Local peasants tortured us - another daughter  
sacrificed  
With flaming torches in our eyes - our bodies they  
burned alive  
500 years of darkness - entombed devoid of sight  
The crowds came out to mock us on this carnival night  
Clowns & dolls of Templars ridicule our sacred cult  
The Blind Dead have arisen - so now your blood be spilt  
Rise! Rise! Blind Dead Arise! Rise!  
As fireworks light up your sky - your jolly music plays  
Beside our monastery ruins, we're rising from the  
grave  
Decomposed monk warriors with swords enter your  
town  
Riding spectral horses - in Crimson seas you drown  
Rise! Rise! Templars Arise! Rise!
