Voodoo fire

Magic lady of the [Incomprehensible] stands  
High on the voodoo mountain  
Society does the Congo Dance  
To the Serpent Queen's chanting

Baby, feel the demons burning  
Hypnotized Hostile World  
To [Incomprehensible] is falling

Flame on, soul possession and sacrifice  
Voodoo fire's setting your world alight

Voodoo fire

As far as away as Jupiter, way beyond its thirteen  
moons  
Solar System of Lucifer in a ritual of Cosmic Doom  
Baby, Papa Nebo is calling  
Zombie rise to the voodoo cries  
From your mortal tomb awaken

Flame on, soul possession and sacrifice  
Voodoo fire's setting your world alight, alright

Cultes Des Mortes, resurrect him  
Raise the King of the dead  
Baron Samedi, a Serpent Orgy  
Welcomes you, King of the dead

Jungle magic is spreading fast  
In a global manifestation  
Necromantic system bows  
To a black mass of invocation

Tell me, the secrets of the future  
To stop the flames of this burning world  
Resurrect our dead creator

Hold tight, saddle up your ride for the rocky night  
Voodoo fire's setting your world alight
