Here I am again, I've failed You, Father, I have sinned  
I'm sad to see how very weak that I can be  
Being made of flesh and blood, I know I grieve Your  
heart  
So much, I'm overwhelmed that You still care for me

And I don't want to wander from the truth  
Oh God, why do I do the things I do?

Grace rain on me  
Love surround me  
Life restore me  
Lord, forgive me

Peace flow through me  
Hope come to me  
Faith embrace me  
Lord, I'm at Your mercy  
(Mercy)

It only takes a moment's time  
For me to somehow cross a line  
Where I can wind up roaming in the dark  
Satan is a liar, I know he can start a fire  
Then go tearing everything I have apart

And there's nothing that can take your love away  
Oh dear Lord, all that I know to do is pray

Grace rain on me  
Love surround me  
Life restore me  
Lord, forgive me

Peace flow through me  
Hope come to me  
Faith embrace me  
Lord, I'm at Your mercy  
(Mercy)

Morning by morning  
New mercies I see

Great is Your faithfulness  
Lord, unto me

Grace rain on me  
Love surround me  
Life restore me  
Lord, forgive me

Peace flow through me  
Hope come to me  
Faith embrace me  
Lord, I'm at Your mercy  
(Mercy)

I'm at Your mercy  
(Mercy)  
Forgive me  
I'm at Your mercy  
(Mercy)
