Sometimes I can be difficult
Hard to please
Unpredictable, yeah
Sometimes I am a nervous wreck
A constant worrier
Pain in the neck

But you just laugh and say it's typical me
You love me back to sanity

Chorus:
You love me through all my darkest days
It's just the way I've heard that love should be
I'm amazed at how you never change
It's like you only see the beautiful in me

When it feels like it's gonna rain
I roll the windows up
And push you away, yeah
When I'm sure that you're gonna leave
You stand there in the storm
And you cover me

And all those clouds they start to disappear
All because you were here

Chorus:
You love me through all my darkest days
It's just the way I've heard that love should be
I'm amazed at how you never change
It's like you only see the beautiful in me

When the world is a scary place
Not what you thought it would be
I want to be here for you
Just like you've been for me

Chorus:
You love me through all my darkest days
It's just the way I've heard that love should be
I'm amazed at how you never change

It's like you only see the beautiful in me

Yeah, the beautiful in me

You make me believe

Oh, in the beautiful in me
