If I'm not in love with you
What is this I'm going through, tonight?
And if this heart is lying then
What should I believe in?
Why do I go crazy?
Every time I think about you baby
Why else do I want you like I do?
If I'm not in love with you
And if I don't need your touch
Why do I miss you so much, tonight?
If it's just infatuation
Then why is my heart aching
To hold you forever
Give a part of me I thought I'd never
Give again to someone I could lose
If I'm not in love with you
Oh, why in every fantasy
Do I feel your arms embracing me?
Like lovers lost in sweet desire
And why in dreams do I surrender
Like a little baby
How do I explain this feeling?
Someone tell me
If I'm not in love with you
What is this I'm going through, tonight?
And if this heart is lying then
What should I believe in?
Why do I go crazy?
Every time I think about you baby
Why else do I want you like I do...
If I'm not in love with
If I'm not in love with
If I'm not in love with you...
