We live in a time when people are blind
They're not lovers or fools
They'll only believe what they touch and see
And then think I'm a fool

My God is love
He also is Holy
And in Him I'll trust

I live for the Lord, die for Him more
He is the love of a lifetime
I pick up my cross and not count the cost
Well, I'm gonna live for the Lord

Some watch the stars, some run after clouds
And they'll follow with pride
Sincere but confused, despising His views
And deciding what's right

God has a plan
And His ways are perfect
And all for our good

I live for the Lord, die for Him more
He is the love of a lifetime
I pick up my cross and not count the cost
Well, I'm gonna live for the Lord

He is divine so I never lose hope
He has a destiny plan for my soul
I stand tall and give all
And lead in the light of His love

I live for the Lord, die for Him more
He is the love of a lifetime
I pick up my cross and not count the cost
Well I'm gonna live for the Lord

I live for the Lord, die for him more
He is the love of a lifetime
I'll pick up my cross and not count the cost
Well, I'm gonna live for the Lord

Every single day I'm gonna live
Every single thing I'm gonna give
Love of a lifetime

Every single day I'm gonna live
Every single thing I'm gonna give
I live for the Lord

Every single day I'm gonna live
Every single thing I'm gonna give
I'm gonna live, live for the Lord
