"Sounds Of Heaven"

I know a place
Far away where thousands of angels sing
There 'round the throne His glory known
The courts of all Heaven ring
Praise day and night, night and day
To the giver of mercy and grace

I will lift my heart and sing
With the sounds of Heaven
Praises to the only King
Of the sounds of Heaven
In my weakness, I get strong
'Cause there is power in their song
I will lift my heart and sing
With the sounds of Heaven

Now while I am here
There'll be tears and times when I feel alone
But I will someday see His face
And know Him as I am known
No crying no pain no more
Forever with Jesus my Lord

I will lift my heart and sing
With the sounds of Heaven
Praises to the only King
Of the sounds of Heaven
In my weakness, I get strong
'Cause there is power in their song
I will lift my heart and sing
With the sounds of Heaven

Holy is the Lord, God Almighty
Holy is the Lord, God Almighty
Who was and is to come

I will lift my heart and sing
With the sounds of Heaven
I'm gonna lift my heart and sing
With the sounds of Heaven
Praises to the only King
Of the sounds of Heaven

In my weakness, I get strong
'Cause there is power in their song
I will lift my heart and sing
With the sounds of Heaven

I'm gonna lift my heart
I'm goona lift my soul
With the sounds of Heaven
I'm gonna lift my heart
I'm goona lift my soul
With the sounds of Heaven
