Talk to Jesus

When no one you know will listen
And no body seems to care
That the love you need is missing
You looked everywhere

When your heart is under cover
And you're sinking like a stone
And your happy ever after
Left you all alone

Talk to Jesus
Talk to Jesus
When this old world is more than you can bear
Talk to Jesus
Talk to Jesus
When no one's left to call
He's always there
Talk to Jesus

When you're scared your life is over
Or you've never lived at all
And you'd trade it all tomorrow
For a place to fall

Cuz you're weary on the journey
And you know you lost your way
And you doubt you'll hear an answer
If you dare to pray

Talk to Jesus
Talk to Jesus
When this old world is more than you can bear
Talk to Jesus
Talk to Jesus
When no one's left to call
He's always there

Hearts always break
And our ordinary dreams

Will sometimes slip away
Yet somehow we remain
Oh what a way from heaven

Talk to Jesus
Talk to Jesus
When this old world is more than you can bear
Talk to Jesus
Talk to Jesus
When no one's left to call
He's always there
Talk to Jesus
