Love is Like a Sunny Day

Written by Kathy Yolanda Rice & Gary Swann

As performed by Kathy Yolanda Rice (Paintbrush
Records & Publishing)

Verse I

You fell in love like it was once upon a time
Broke your heart before the wedding bells could chime
Now you don't believe true love can be found
And you're walking around wearing a painted on
frown

Chorus

Love is like a sunny day
Don't let a cloud chase it away
Love can have stormy days
Don't let them rain on your parade

Verse II

Release all those fears you hold inside
And your heart will give love another try
When love is true it's worth more than silver and gold
It's never too late whether you're young or you're
old

Chorus

Love is like a sunny day
Don't let a cloud chase it away
Love can have stormy days
Don't let them rain on your parade

Bridge

Love ain't nothing but a feeling
That lives within your soul
Finding love you can believe in
Is learning to let that feeling flow

Chorus

Love is like a sunny day
Don't let a cloud chase it away
Love can have stormy days
Don't let them rain on your parade

Repeat Chorus
Love is like a sunny day
Don't let a cloud chase it away
Love can have stormy days
Don't let them rain on your parade
