IÃfÂçâ,¬Â™ m gone tell yÃfÂçâ,¬Â™ all a story  
About life and all its glory  
It may sound a little crazy to you  
But itÃfÂçâ,¬Â™ s the story of my life, too  
Un huh----well  
IÃfÂçâ,¬Â™ ve lived in New York, Arizona, California,  
and Texas  
Drove a Porche, Mercedes Benz, BMW, and Lexus  
First class when IÃfÂçâ,¬Â™ m flying no denying this  
lady  
Five star hotels, I donÃfÂçâ,¬Â™ t like  
nothinÃfÂçâ,¬Â™ shady  
Your life, live it, love it inside  
Your life, give it, love without pride  
Your life, living, love from the heart  
Your life, loving, make a new start  
IÃfÂçâ,¬Â™ ve seen the ghettos in the shadows of the  
hungry and slums  
Down the meadows of the farms when the rain never  
comes  
No job, no home, for awhile without money  
Keep my faith while IÃfÂçâ,¬Â™ m waiting for the milk  
and the honey  
Your life, live it, love it inside  
Your life, give it, love without pride  
Your life, living, love from the heart  
Your life, loving, make a new start  
  
Green grass, good music and a place in the sun  
Got my friends and family and IÃfÂçâ,¬Â™ m having  
some fun  
Taking time to be happy in the midst of it all  
Make your life what you want it, now  
This is my call  
Life, live it, love it inside  
Your life,  
Your life,  
ItÃfÂçâ,¬Â™ s your life!  
Ooooooo, ahhhhhhhhh  
I love good music, yeah oooo  
In the middle of the night if you feel sad and blue  
Dry your eyes weary child He stands watch over you

You don't have to beg for bread or ask a  
friend for a dollar  
If you know what I mean clap your hands scream and  
holler  
Your life, live it, love it inside  
Your life, give it, love without pride  
Your life, living, love from the heart  
Life, loving, make a new start  
I love good music!  
You've gotta open up your heart  
And really make a brand new start  
You've gotta open up your heart  
And really make a brand new start  
Repeat  
I love good music!
