Hey boy, Its me
Your sweet little everything
Who's always, Been here
Standing by your side and I've done it with a smile
And I've held, My tongue
Even Played along when I know your wrong
But this time, Im not Sunshine & Roses
No this time, Im giving you a piece of my mind

Dont bother knockin on my door
Dont even call me on the phone
Your sweet little everything
Ain't so sweet anymore
I know it kills you to believe
Your bringin out the worst in me
That girl you knew before
Ain't so sweet anymore

Ain't so sweet anymore

Your t-shirt, Your guitar
You'll find them in your front yard
Next to, All your lies
And every single time that you never apoligized
Sorry, But I can't sugar coat it
So sorry, But it's really really over

Don't bother knocking on my door
Don't even call me on the phone
Your sweet little everything
Ain't so sweet anymore
I know it kills you to believe
Your bringin out the worst in me
That girl you knew before
Ain't so sweet anymore

Ain't so sweet anymore

Dont bother knocking on my door
Dont even call me on my phone
Your sweet little everything
Ain't so sweet anymore

I know it kills you to believe
Your bringin out the worst in me
That girl you knew before
Ain't so sweet any
Ain't so sweet anymore

Ain't so sweet anymore

Oh no Oh no

Ain't so sweet anymore
