You can whisper softly in my ear
But that don't mean I'm listening
I just tell you what you wanna hear
Look down on me and criticize
It's so easy to do from up so high
But there's more to me than you know

I'm free, yeah I'm free
Like a raging wildfire, through the trees
I'm not yours, I won't be ignored
It's my life no matter how you try
You can't control me
I'm free

Your words fall down like broken glass
You go on and on about this and that
You can't hurt me, you're powerless
So shut your mouth and save your breath
I'm miles away, you don't know it yet
Just keep on, I'll always be

Free, yeah I'm free
Like a raging wildfire, through the trees
I'm not yours, I won't be ignored
It's my life no matter how you try
You can't control me
I'm free
Yeah I'm free

So keep on thinking that you've won
I'll be stronger when it's all said and done

Free, yeah I'm free
Like a raging wildfire, I'm running free
I'm not yours, I won't be ignored
It's my life no matter how you try
You can't control me
No, you can't control me
Oh, I'm free
Yeah I'm free
