Bless your heart
You're the sweetest thing
All done up and no diamond ring
You're lookin' hard to meet your match
And what you're going down ain't hard to catch
You best think twice
'Cause that man you've been making eyes at
Has got my name across his heart

Back away slowly
And no one gets hurt
Anyone who knows me
Knows when I'm in red
I'm seein' green
And I can't help it
I just get mean
When it comes over me
Jealousy

Let me tell a tale of lies and sin
About a girl I thought was my best friend
She whispered soft in my man's ear
But as love would have it
She disappeared
To this day
Her family hopes and prays that
She'll turn up again somewhere

Back away slowly
And no one gets hurt
Anyone who knows me
Knows when I'm in red
I'm seein' green
And I can't help it
I just get mean
When it comes over me
Jealousy

Back away slowly
And no one gets hurt
Anyone who knows me
Knows when I'm in red

I'm seein' green
And I can't help it
I just get mean
When it comes over me
When it comes over me
Jealousy
