It's been so long for too long and
We've both known just what's been coming on.
No cryin', there's no tryin'
Let's go ahead and get to goodbyin'.
Let's jump before it gets too bad,
Stop the train before it runs outta track.
Take the sugar-coatin' off the facts,
Take two steps forward, don't look back.

Ooh, I'll be going my way
Ooh, I'll see you 'round someday
Ooh, it ain't nobody's fault
Let's kiss and get gone and I'll leave you with a song so
long.
A so long.

Tell your mamma and your sister,
Tell your crazy aunt Penny, I'll miss her.
Try it on again, try it off again,
Skip to talkin' 'bout us just bein' friends.
This thing had a really short fuse,
And every match in the box has been used.
Ain't no good reason or bad excuse
A new (?) more old news.

Ooh, I'll be going my way
Ooh, I'll see you 'round someday
Ooh, it ain't nobody's fault
Let's kiss and get gone and I'll leave you with a song so
long.

Yeah yeah yeah
I'll leave you with a, hmmm

Ooh, I'll be going my way
Ooh, I'll see you 'round someday
Ooh, it ain't nobody's fault
Let's kiss and get gone and I'll leave you with a song so
long.
I'll be going my way
I'll see you 'round someday

Let's kiss and get gone and I'll leave you with a - ha
A so long.
