You've been warned about me,
Don't try to get too close.
I know you want to chain me down but,
I'll leave you with my ghost.

I took your '69 Cadillac, parked it down by the creek
Just the second I'm certain that you're fallin' for me.

I'm gonna drive away,
I can't stay, I can't stay.
And if your bank account is empty and your savings are
gone
Boy, don't feel like you're a fool because you weren't
the first one.
You never had a breath from the start
Because I'm taking names and stealing hearts.

I've broken hearts in Texas,
And up in Tennessee.
I guess I do feel kinda bad but,
These boys make it so easy.

They leave their credit cards out and them keys laying
'round
When you're thinkin' that I'm settled boy, I'm ditchin'
this town.

I'm gonna drive away,
I can't stay, I can't stay.
And if your bank account is empty and your savings are
gone
Boy, don't feel like you're a fool because you weren't
the first one.
You never had a breath from the start
Because I'm taking names and stealing hearts.

I'm not lookin' for trouble, I'm just tryin' to get by
But if you come in my way, I'm gonna drain you dry.

I'm gonna drive away,
I can't stay, I can't stay.

And if your bank account is empty and your savings are
gone
Boy, don't feel like you're a fool because you weren't
the first one.
You never had a breath from the start
Because I'm taking names and stealing hearts,
I'm taking names and stealing hearts.
