Soon we'll be sitting at the bottom
Making sense of all we've forgotten
My faith lies somewhere between daisies and pews
Making sense of all the good news

I might climb the highest peak
Disappear in another dream
Sit alone on a stone by the sea
Knowing and waiting, we are in love

Fire in my soul
Fire in my soul
When nights are cold

And when you do appear
You are my hope and my fear
Not by the land or the sea
But from the place that I breathe
Knowing and waiting, we are in love
