Hey nana hey nana  
Hey nana hey nana  
Hey nana hey nana  
Hey nana hey hey

Hey nana hey nana  
Hey nana hey nana  
Hey nana hey nana  
Hey nana hey hey

You eyes are like a blue sky, blue sky, blue  
You're floating in the fountain, in the fountain of youth  
I bet you have an ocean, secret little potion  
I bet you have a lover who's as fine as you

Hey Mr. Love, Mr. Big Love, Big Love

Hey nana hey nana  
Hey nana hey nana  
Hey nana hey nana  
Hey nana hey hey

I've got a little secret too, I've got a mad little crush on  
you  
I wonder if you notice, wonder if you see  
I wonder if you ever want to dance with me  
We shall never talk about such things, such things

Hey nana hey nana  
Hey nana hey nana  
Hey nana hey nana  
Hey nana hey hey

Hey nana hey nana

Hey nana hey nana  
Hey nana hey nana  
Hey nana hey hey

555-7172 now, 555-7172  
And oh, before you go, before you go  
Let me just take one last glance love

Oh, before you go, before you go  
Could you tell me what's my chance love

High or low  
High or low  
Somewhere in the middle find a good little soul

High or low  
High or low  
I can bat my eyes like a heidi-ho

I've got a twinkle in my eye  
Come baby, come dry my eyes  
Are you gone to hold me, are you gone to see  
Sweet daddy are you ever gone to marry me

Hey Mr. Love, Mr. Big Love, Love

Hey nana hey nana  
Hey nana hey nana  
Hey nana hey nana  
Hey nana hey hey

Hey nana hey nana  
Hey nana hey nana  
Hey nana hey nana  
Hey nana hey hey
