(The Cure cover / Live)

Let's go and throw
All the songs we know
Into the sea
You and me
All these years and no one heard
I'll show you in spring
It's a treacherous thing
We missed you hissed the lovecats
We missed you hissed the lovecats

We move like cagey tigers
Oh - we couldn't get closer than this
The way we walk
The way we talk
The way we stalk
The way we kiss
We slip through the streets
While everyone sleeps
Getting bigger wider and brighter
Let's go and throw
All the songs we know...
Into the sea
You and me
All these years and no one heard
I'll show you in spring
It's a treacherous thing
We missed you hissed the lovecats
We missed you hissed the lovecats

We're so wonderfully wonderfully wonderfully
Wonderfully pretty!
You know that i'd do anything for you...
We should have each other to dinner huh?
We should have each other with cream
Then curl up by the fire
And sleep for awhile
It's the grooviest thing
It's the perfect dream
Into the sea

You and me
All these years and no one heard
I'll show you in spring
It's a treacherous thing
We missed you hissed the lovecats (lovecats)

Into the sea
You and me
All these years and no one heard
I'll show you in spring
It's a treacherous thing
We missed you hissed the lovecats
We missed you hissed the lovecats

We move like cagey tigers
Oh - we couldn't get closer than this
The way we walk
The way we talk
The way we stalk
And the way we kiss
Interlude
We slip through the streets
While everyone sleeps
Getting bigger wider and brighter
Let's go and throw
All the songs we know...
Into the sea
You and me
All these years and no one heard
I'll show you in spring
It's a treacherous thing
We missed you hissed the lovecats
We missed you hissed the lovecats
Babababa.....
