Mr. Blue,  
I told you that I love you  
Please believe me

Mr. Blue,  
I have to go now, darling  
Don't be angry

I know that you're tired  
Know that you're sore and sick and sad for some  
reason  
So I leave you with a smile  
Kiss you on the cheek  
And you will call it treason

That's the way it goes some days  
A fever comes at you without a warning  
And I can see it in your face  
You've been waiting to break since you woke up this  
morning

Mr. Blue,  
Don't hold your head so low  
That you can't see the sky

Mr. Blue,  
It ain't so long since you were flying high

Mr. Blue,  
I told you that I love you  
Please believe me
