Right way

Verse 1

You got to see  
My hearts desire  
Im the one your looking for  
But now you need to be on the right track  
And then you will always win my heart

I see you walking down the street  
And I  
Know your gonna come my way  
So I act as if I didn't see you  
And then you might notice me

Chrous

Its True  
Your running on the right track  
You see me looking at you now  
So if you do the things your doing  
Then you will know your going the right way  
Goin the right way  
Goin the right way

Verse 2

Next day I see through my window  
Walking your dog down the road now  
You look in my window when your passing  
So I make a little smile  
And  
You smile back  
And now im in heaven

Call me that night  
See you on Friday  
Im floating in the sky  
Wishing the day would never end

Its True

Your running on the right track  
You see me looking at you now

So if you do the things your doing  
Then you will know your going the right way  
Goin the right way x2

Its True  
Your running on the right track  
You see me looking at you now  
So if you do the things your doing  
Then you will know your going the right way  
Goin the right way x2

Your goin the right wayyyyyyyy x2
