Today has been a special day  
An anniversary, a request  
That you play your piano  
As the evening sun slowly sets

[Chorus:]

I never thought I'd get this old dear  
Never had a reason to live so long  
And the Lord's been like my shadow  
Even when I was wrong  
No I never thought it would turn out this way

A birthday with apologies  
For all the tears and regrets  
And I've always saved your poetry  
For these years when you forget

[Chorus:]

So sing with me softly  
As the day turns to night  
And later I'll dream of paradise with you  
I love you and good night
