I used to dream myself to somewhere else each night
I dreamed in colour, cause I lived in black and white.
Until I chanced upon this road that led to you, I could not see
How anything could be

Better than a dream
Stranger than my wild imagination
If this is a real sensation,
It's better than a dream.
Higher than the moon,
Hazy like a beautiful illusion.
Crazy and in confusion,
And better than a dream.

I used to wish I was beyond some distant door,
I knew there must be more to life, and now I'm sure.
No dreams of pirate caves, or Indian braves, or magic carpets could
Ever be this good,

Better than a dream
Stranger than my wild imagination
If this is a real sensation,
It's better than a dream.

Higher than the moon,
Hazy like a beautiful illusion.
Crazy and in confusion,
And better than a dream.

And better than a dream.
