I won't spend my life
Waiting for an angel to descend
Searching for a rainbow with an end
Now that i've found you
I'll call off the search

And i won't spend my life
Gazing at the stars up in the sky
Wondering if love will pass me by
Now that i've found you
I'll call off the search

Out on my own
I would never have known
This world that i see today
And i've got a feeling
It won't fade away

And i won't spend my days
Wishing that love will come along
'Cause you are in my life
Where you belong
Now that i've found you i
I'll call off the search.

Now that i've found you
I'll call off the search
Now that i've found you
I'll call off the search
