Toes teased the grass while you read me from The
Tempest
Kiss cracking glass while you read me from The
Tempest
Then the pearls reappeared
from the free and savage sea

I'd be nowhere without you
I'd be nowhere
Chaos colliding
in cold air
Without you I'd be nowhere
We are all we need
in this wild sea

The words you weave for me I love to feel
Could not believe when you spun me like a spinning
wheel

You're the compass I'm the map
Atop this free and savage sea

I'd be nowhere without you
I'd be nowhere
Chaos colliding
in cold air
Without you I'd be nowhere
We are all we need
in this wild sea
