Now, hush now, honey, here's the word  
My baby's gonna buy me a Mockingbird  
And if that Mockingbird don't sing  
Baby's gonna buy me a diamond ring

And if that diamond ring won't shine  
We'll still have a real good time  
So I'm sitting right here  
Woah, woah

To this man that I have found  
I'm gonna sing the sweetest sound  
And if that sweetest sound won't rock  
I'm gonna buy him a music box

And if that music box don't play  
He's gonna stay with me anyway  
So I'm making it clear  
Woah, woah

When that man and I are wed  
I'm gonna keep him warm in bed  
And when my man's no longer hot  
I'm gonna bring him a Vodka shot

And when that spirit's made him strong  
I'm gonna stay with him all night long  
I'll be holding on tightly  
Woah, woah

He's gonna buy me a Mockingbird
