When you taught me how to dance

When you taught me how to dance  
Years ago with misty eyes  
Every step and silent glance  
Every move a sweet surprise

Someone must have taught you well  
To beguile and to entrance  
For that night you cast your spell  
And you taught me how to dance

Light reflections in a lake  
I recall what went before  
As I give, I'll learn to take  
And to be alone no more

Other lights may light my way  
I may even find romance  
But I won't forget that night

When you taught me how to dance

Cold winds blow  
But on those hills you'll find me  
And I know  
You're walking right behind me

When you taught me how to dance  
Years ago with misty eyes  
Every step and silent glance  
Every move a sweet surprise

Someone must have taught you well  
o beguile and to entrance  
For that night you cast your spell  
And you taught me how to dance  
And you taught me how to dance.
