When Lookin At Your Picture
And Stayin' Up So Late
Thinkin About How Good I Used To Have It
Then You Left me alone

~~~~~  
Lookin At Your Picture  
And Realizin' What I Let Go  
Lookin At Your Picture  
I Wish It Wasn't So  
I Keep Lookin' At Your Picture  
And I Want You Here With Me  
In stead Of There With Her  
Lookin At Your Picture,  
At The Love Of My Life  
And I Let Him Go

~~~~~  
I Can't Believe Just What I've Done
Used To Think It Was All About Havin Fun
But I Know Now In My Heart
That you're The Only One

~~~~~  
So I'm Here Lookin At Your Picture  
Wonderin' If it's Not Too Late  
I'm Sorry For All The Wrong Choises I've Made  
I Know Now That I Really Want You To Stay

~~~~~  
Lookin At Your Picture
And Realizin' What I Let Go
Lookin At Your Picture
I Wish It Wasn't So
I Keep Lookin' At Your Picture
And I Want You Here With Me
In stead Of There With Her
Lookin At Your Picture,
At The Love Of My Life
And I Let Him Go

~~~~~  
Lookin' At Your Picture  
And Wonderin If You & I Were Really In Love  
Every Day That Passes Or When I C You With Her  
Makes Me Realize Just What I Threw Away

~~~~~  
Im Sorry That I Hurt you
I Felt It Was What I Had To Do
~~~~~  
Lookin At Your Picture  
And Realizin' What I Let Go  
Lookin At Your Picture  
I Wish It Wasn't So  
I Keep Lookin' At Your Picture  
And I Want You Here With Me  
In stead Of There With Her  
Lookin At Your Picture,  
At The Love Of My Life  
And I Let You Go  
~~~~~  
I Thought If I Let You Go I'd Feel Strong
Little Did I Know I Was Absolutely Wrong
And Now That Your Gone I Can Finally See
That The One To Blame Is Me
~~~~~  
Lookin At Your Picture  
And Realizin' What I Let Go  
Lookin At Your Picture  
I Wish It Wasn't So  
I Keep Lookin' At Your Picture  
And I Want You Here With Me  
In stead Of There With Her  
Lookin At Your Picture,  
At The Love Of My Life  
And I Let You Go  
~~~~~
