In All The Time We've Spent,
These Last Few Months,
Something About You Has Changed,
And I don't Like It Much.

~~~~~  
The Phone Never Rings  
And Your Never Home  
So I'm Giving Up Trying,  
That's It Im Done.

~~~~~  
Why R U Ignoring Me?
They're R no Reasons That I can C
Obviously You Need Space
So I'm Setting You Free

~~~~~  
You Should Have Loved Me When You Had The Chance  
(But Now That Time Has Passed)  
You Want To Have Me But You Cant  
(Should Have Tried To Make It Last)  
You Wish Time wouldn't Go By So Fast  
(You Treeted Me Like Trash)  
Baby, You Should Have Loved Me When You Had The  
Chance

~~~~~  
I Tried To Fix Us,
But It Got Mixed Up,
Maybe I Shouldn't Have Tried,
But I Felt I Would Have Died

~~~~~  
Y R U So Crule?  
UR Being Such A Fool  
I Know That One Day You'll  
Come Crawling Back 2 Me

~~~~~  
And Say That Your Sorry
You Gonna Beg And Plead
But I'll Show No Mercy

~~~~~  
Because You  
Should Have Loved Me When You Had The Chance  
(But Now That Time Has Passed)

You Want To Have Me But You Cant  
(Should Have Tried To Make It Last)  
And You Wish Time Wouldn't Go By So Fast  
(You Treeted Me Like Trash)  
You Should Have Loved Me When You Had The Chance

~~~~~

Could Of Been Happy
But Instead You Used Me
And Now Im History
You Need Me And Soon You'll See

~~~~~

You Should Have Loved Me When You Had The Chance  
(But Now That Time Has Passed)  
You Want To Have Me But You Cant  
(Should Have Tried To Make It Last)  
And You Wish Time Wouldn't Go By So Fast  
(You Treeted Me Like Trash)  
You Should Have Loved Me When You  
Should Have Loved Me When You Had  
The Chance  
(Chance  
Chance  
Chance  
Chance  
Chance)
