I can show you the world
shining shimmering splendid
Tell me princess now when did you last let your heart
decide
I can open your eyes take you wonder by wonder
over sideways and under on a magic carpet ride

A whole new world
A new fantastic point of view
No one to tell us no
Or where to go
Or say we're only dreaming

A whole new world
A dazzling place I never knew
But now from way up here
It's crystal clear that now I'm in a whole new world with
you

Unbelievable sights
Indescribable feeling
Soaring, tumbling, freewheeling

Through an endless diamond sky

A whole new world
Don't you dare close your eyes
A hundred thousand things to see
Hold your breath - it gets better
I'm like a shooting star
I've come so far
I can't go back to where I used to be

A whole new world
With new horizons to pursue
I'll chase them anywhere there's time to spare
Let me share this whole new world with you

A whole new world
That's where we'll be
A thrilling chase
A wondrous place

For you and me
