It's all so crazy inside my head  
Did I take something that you did not give?  
I can't see that clearly anymore  
Do I have any right to love you like this?  
Do I have any right to love you like this?

Your angel face so pure  
In the madness of my desire  
Have I ruined all that we are?  
This crime committed has left us behind bars.  
Life just keeps on moving by  
Doesn't stop to let me catch up  
Doesn't stop to ask me why  
It's more than just memories to me,  
It's a piece of soul that isn't mine,  
A piece of soul that isn't mine

How do I fix this thing inside of me,  
Now that I can hardly believe.  
Where is my faith, now, I was so strong  
Everything seems so empty,  
Everything seems so empty.

Your angel face so pure  
In the madness of my desire  
Have I ruined all that we are?  
This crime committed has left us behind bars.  
Life just keeps on moving by  
Doesn't stop to let me catch up  
Doesn't stop to ask me why  
It's more than just memories to me,  
It's a piece of soul that isn't mine,  
A piece of soul that isn't mine
