I walked up to your door  
You said you don't need me anymore  
But I wanted to show you my love  
But that wasn't in the cards,  
That wasn't in the cards

So I got in my car and drove away  
Looking at the sights of this town  
Alone, I feel as if in my grave  
Cause you're not around,  
Cause you're not around

But it's not you who makes the sun go up  
It's not you who gives me my life  
I was just confused and under your bluff  
And I trusted your eyes,  
I trusted your eyes

As I look at my life now  
Scars gained and wisdom found  
No one said that love would be easy  
This truth I have found,  
This truth I have found

But it's not you who makes the sun go up  
It's not you who gives me my life  
I was just confused and under your bluff  
And I trusted your eyes,  
Trusted your eyes

So I won't be washed up on your shore  
I'll catch my breath alone  
No satisfaction you'll find,  
No piece of me is yours,  
No piece of me is yours,  
No piece of me is yours

Cause it's not you who makes the sun go up  
It's not you who gives me my life  
I was just confused and under your bluff  
And I trusted your eyes

But it's not you who makes the sun go up  
It's not you who gives me my life  
I was just confused and under your bluff  
And I trusted your eyes,  
I trusted your eyes (yeah, yeah)  
Trusted your eyes  
(oh, yeah yeah)
